

Dear Buyer or Store Manager,

I am a customer of Hawaiian Springs water and would love the ease of being able to purchase Hawaiian Springs Water directly at one of your stores.

Hawaiian Springs is delicious, artisan water, bottled in Hawaii. Its refreshing taste comes from it's filtration system (through lava rocks!) and it's naturally alkaline (7.7 PH). Beyond that great taste, it's kosher and sustainably sourced. The beautiful packaging encourages me to drink more water, and I would love the convenience of being able to purchase the water right in my backyard at your store.

To contact Hawaiian Springs for samples, you can reach out to service@hawaiianspringswater.com.

Sincerely,
